24th July 2020

Dear Parents and Carers,

This is the last day of a year which has been more challenging than any of us could have imagined back at the start.

We have risen to the challenges in the best way possible... as a team.

Governors, all staff, yourselves and, of course, all of our children have embraced new ways of working, alternative ways of communicating, we have learned new skills and got to grips with new technology, all in a very short space of time.

I can't thank everyone enough.

We are saying goodbye, not only to our year two pupils, but also to Mrs Julie Jones, Mrs Amanda Evans and Mrs Kat Holwill. We thank them for all their hard work and commitment to the children at Ladywell Green, and wish them all the best for the future.

In September we are preparing for all pupils to return (we can't wait!), working under the guidelines that have been produced. You should all now have seen the leaflet of information, and know which 2 days your child has for transition before a full return on Wednesday 9th September.

We will also be preparing for further possible partial or full school closure, with periods of time of blended or distance learning, which may be put in place to respond to outbreaks of the virus. Your survey feedback will help to shape our plans.

The school mobile phones will be switched off. They will be brought back into service if needed again in the future. In September, staff can be contacted through the email and number above.

For now, everyone has earned the right to a rest.

I wish you all a safe, happy and enjoyable summer holiday. ☀️

Rachael Owen
