NEWSLETTER #4 November 2018

Dear Parents and Carers

Thank you to all those who have filled in one of our anonymous annual surveys. We use these to help us think about what we are doing well and what we need to improve. This is the 3rd year of the survey. If you haven't yet completed one but would like to, please find one attached and return it by Monday 12th November.

We have lots happening this term, so please check out the dates and other information carefully. We would like to welcome Mr Richard Lewis as the new parent representative on our Governing Body, and to thank him for taking on this important role.

We do ask that you take the time to read letters - and to share them with other people where needed - we send out texts to say there will be letters in book bags. We get a lot of enquiries from parents about missed letters or information, or forms that are not returned. We are always happy to help, but additional enquiries and resending letters is very time consuming for office staff, so please ensure that you take time to check for and read information.

Thank you for your support as always, Mrs Owen

Attendance

We have changed how we reward good attendance - each week, the class with the best attendance gets a silver cup, and most importantly, Bubble and Squeak visit the class for an afternoon!

At the end of each half term, certificates will be awarded to those with 100%. Individual attendance will continue to be reported each term during parents/carers' evening.

For the year so far...

Dosbarth Mrs Gittoes' Class 95.32%

Dosbarth Mrs Smout's Class 95.8%

Dosbarth Mrs Evans'/Mrs Warmington's Class 94.68%

Dosbarth Mrs Foulkes'/Mrs Jones' Class 93.49%

Attendance over 95% is brilliant - well done!!

If your child's attendance is causing concern, you will be contacted by school.

The new outdoor area is looking great, and there is further development planned over the next few months - road signs, a construction zone, new bikes... Please ensure that younger siblings don't play with resources once they are tidied away at the end of the day. Thank you

School Priorities

Each year the school has a development plan which sets out what we are aiming to improve.
